# CREATE A TEAM

---

- Choose a team category. Decide what type of team you want to form: an **COMMUNITY TEAM**, with participants from your family, friends, school, religious organization, non-profit organization, running club, etc., or a **CORPORATE TEAM** with co-workers from your place of employment.
- Register as a runner or walker at [www.sanantonioaids.org](http://www.sanantonioaids.org), you will be prompted to either join or create a team.
- Team members can choose whether they want to run/walk or simply make a pledge.
- We ask that you have at least 10 participants to qualify as an 'official team.'

## Set a Fundraising Goal

Most people work harder when they have a specific goal to meet. Keep tabs on your team's progress and report back to everyone. Pledges are a major source of the funding for San Antonio AIDS Foundation.

## Stay connected

The best way to stay connected is to manage your team directly. Form a group chat and connect every week. Communication will help you tell your team about all the exciting efforts everyone is making for the SAAF Run & Walk for LIFE. And do not forget to establish a meeting time and location for your team on the day of the event!

## Tell us how you're doing!

Beginning in mid-August, we will update the website information with team progress. We'll highlight the top fundraisers. Don't forget to tell us good news about your participants, fundraising goals met and exceeded...and more!

## Team Awards

Awards and recognition will be given to the Top Official Teams in corporate and community team categories; and individual/single fundraisers. Runners with the fastest time will receive 1st, 2nd, and 3rd place medals
